1 **WHEREAS**, Section 8-311 of the Agriculture Article of the Maryland Annotated Code
2 requires each soil conservation district in the State to submit the district's fee system to the local
3 governing body; and

4 **WHEREAS**, Section 8-311 requires that the local governing body either enact a fee
5 system or otherwise provide funding within 90 days after the district submits the fee system; and

6 **WHEREAS**, on March 2, 2011, the Howard Soil Conservation District submitted a fee
7 system to the County Executive and County Council.

8 **NOW, THEREFORE, BE IT RESOLVED** by the County Council of Howard County,
9 Maryland this 25th day of May, 2011 that the fee system attached to this
10 Resolution is approved and applies to each site development plan, road construction drawing,
11 custom grading plan, and similar plan that is required to be reviewed by the Howard Soil
12 Conservation District from and after July 1, 2011.

Howard Soil Conservation District

Fee System

for review and evaluation of sediment and erosion control plans,
including, but not limited to, site development plans, road construction
drawings, and custom grading plans.

Single lot residential grading plan with a limit of disturbance not exceeding 2 acres	\$250
Capital projects	exempt from the fee structure
All other plans	
Application Fee	\$100
Limit of Disturbance Fee	\$80 per acre capped at \$1,700
Additional Review Time Fee	
If additional review is required beyond the amount covered by the limit of disturbance fee, the additional hours shall be charged at \$100 per hour.
